

Española Valley High School

Academics:

Española Valley High School gave our students a Survey in Spring of 2017, of what classes they would love to see at the high school. According to our Survey results, the students wanted more Elective Classes.

The High School Administrators, parent liaison, and teachers, began communication with Northern New Mexico College, Santa Fe Community College, Institute for American Indian Arts, University of New Mexico in how we could provide some Elective Classes for our students of Española Valley High School.

We will begin to offer new courses in the following areas for the 2017-2018 Academic School Year: **Elective Classes**
