Students and Parents,

Española Valley High School has had some unfortunate events happen to some of our students and former students of the Valley over the weekend. I want to assure you that the school Administration and the District Administration will provide the best possible service to provide a safe and healthy environment that is conducive to achieve an outstanding academic program. In order to accomplish this, we need your cooperation in helping us with certain procedures that will be in place until further notice.

- The School will be in Modified Lock Down (All doors will be locked, and no passes will be given to students. Bathroom breaks will be done during passing periods).
- There will be random vehicle searches and student searches.
- Local Law Enforcement will be on campus, and extra Security Guards will be on campus.
- Out Doors will be off limits during lunch, students will remain in the cafeteria, gym and main foyer.
- All teachers and staff will be on high alert and will report any suspicious activity.
- All Extra Curricular Activities will continue as scheduled, with strict procedures.

Our Goal is and always has been, to provide safety for all of our students and staff. If you have any further questions, please feel free to contact us at 505-753-7357.

Professionally,

Ruben Salazar (Assistant Principal)
