**Debbie Garrison**, Database

Dear Acting Superintendent Johnston:

Since 1942, the New Mexico Association of Educational Retirees (NMAER) has represented current and future retired educators and has strived to advocate and protect their retirement benefits. Additionally, one of the objectives of the Association is to give back to the community.

Again, this year the NMAER Executive Board has chosen to establish a Scholarship Program for current public school educators and teachers to further their education. To that end, the New Mexico Association of Educational Retirees Executive Board has approved the issuance of three \$1000 scholarships to current public school educators working on an undergraduate degree in the field of education; or to current public teachers working toward a graduate degree in the field of education during the school year 2017-2018.

We are asking for your support to help us get the word out to your qualified educators and teachers by announcing this scholarship opportunity in one of your future faculty meetings and by placing this flyer where personnel in your schools will have the opportunity to see it. The deadline for scholarship application submission is July 21, 2017.

If you have any questions regarding this information, please call the NMAER office at 505-275-6427.

The Executive Board of the New Mexico Association of Educational Retirees thanks you for supporting this opportunity for your current educators and teachers and for your support of our organization. We wish you success in your endeavors.

Warmest regards,

H. Russell Goff, Executive Director  
New Mexico Association of Educational Retirees
